Sticky, Licky, Vicky

After going out for the evening my partner Mark and I stayed the night at my mate Jessica's as we couldn't drive home.

Mark and I stayed in the spare room and having drunk so much I woke up in the middle of the night to go to the toilet.

I got a bit lost in the dark on the way back and only just found my way back into bed without waking anyone up.

As soon as I pulled the covers over me I felt a hand fondling my boobs and arse.

I was shocked as I thought Mark was asleep.

Then I realised it was my mate Jessica – I had got the wrong room!

I was shocked when her hand came over my thigh and started pulling my thighs apart. But I didn't move.

Her other hand could feel my moistening pussy.

Before I had a chance to do anything she was fingering my clit and ramming her hand into my sopping wet pussy.

She started kissing the back of my neck, shoulder blades and arse cheeks in turn.

When she turned me over on my back and tongued my wet hole I came buckets.

Next she ran her tongue up and down my arse crack. She dripped saliva on her fingers so she could insert them up my arse.

I moaned in pleasure and it must have been louder than I thought because I looked up and there was Mark silhouetted in the doorway.

He came over to the bed and released his rigid cock from his boxers.

I gave him a blowjob while he watched me get the tongue fucking of my life.

Next Jessica reached down the bed and got a vibrator. I felt her insert it into my hungry pussy and within minutes I was shaking with another orgasm with Mark's big cock in my mouth.

Once I had finished I asked Jessica to insert it up my arse and Mark took it upon himself to fill my throbbing pussy with his fat cock.

With two poles jiggling about inside of me I had yet another orgasm.

It was too much for Mark who blew his load soon after me and collapsed on the bed.

Jessica started sucking his sticky cock which made me feel left out.

Jess said I could help by tongue fucking her.

I'd never been with another woman before so I wasn't sure what to do but as Jessica rammed her arse back on to my face I soon got the hang of it. I licked and sucked her clit and poked her bum and was rewarded with a faceful of her bodily juices.

Mark and I are now totally turned on by the thought of another threesome, this time perhaps with a total stranger.

Vicky, Shropshire.

Roxi

And now it's time for part two in our Roxee/Roxi double act, and this time's it's flame-haired raunchbag Roxi Keogh! But we're not sure what's meant to be going on here – she's doing something secretarial or something, but that empty bottle of fizz on the desk makes me wonder whether she's taking her duties seriously…

"As far as I'm concerned my duties are as follows; turn up, take my clothes off and have a wank, and I can assure you I'm taking them very seriously indeed!"

Well it's good to find someone with such a strong work ethic in this day and age.

NATALIA

When Natalia Forrest got in touch the other week and asked us if we fancied taking some piccies of her in her saucy Halloween cossie we couldn't really say no, could we, just because we'd alread bagged a Halloween set of Zara. Let's bw honest, the opportunity to watch Natalie Forrest playing with her flawless snizz isn't something any right-minded pervert's ever ging to pass up, is it? So here we are with a bonus second set of pictures wth a pumkin (admittedly fake) in it! Still, who gives a monkey's about the pumpkin when you've got an arse like that to gaze at? Nobody who chooses this mag over 'Greengrocer's Digest', I'll bet!

River Tease!

After coming home pissed from the pub late one hot afternoon, my wife Karen and I decided to go down to the river where it was quiet to take some photos.

Karen was very horny as she had been teasing a couple of lads all night, giving them the eye and flashing her crotchless knickers under her short leather skirt.

Karen stripped down to her bra and shoes, which gave me a raging hard.

In a flash she had my prick in her mouth and was sucking me dry.

She said she was really horny and wanted more. To our surprise a voice from the undergrowth said, "Maybe we can help!" The two lads from the pub emerged, pricks in hands.

There was no stopping Karen. She got one to lie on his back and after sucking him to full hardness she straddled him.

She impaled herself on his big cock and leaned forward, spreading her arse cheeks.

Then she beckoned the other one to slide up her arsehole, which he did with ease.

By then I was hard again so, standing in front of her, I put my prick in her mouth.

We fucked her solid for an hour and a half. When we'd finished she was covered in spunk. What she couldn't lick off she cleaned off in the river.

You would not believe some of the photos I got. Maybe in a few years when the censorship laws have relaxed I'll send them in.

Steve, Slough.

AXA

Fed up with Christmas already? Then let's cut straight to Boxing Day, shall we? And who better to help us get back into shape with a few bouts in her ring than Axa, who as well as thrilling readers with her appearances in Escort also turns her hand to erotic wrestling when the fancy takes her! So presumably she won't be having too much of a blowout on the big day…

"No – I need to keep fit, so I have to count the calories. Nothing to fat for me I'm afraid – unless it's a nice fat cock, of course!"

Spain In The Arse!

Sara and I have been married for over 30 years and have always tried to arrange exciting sexy events for each other's birthdays.

This year I announced her treat would be a long and very dirty weekend in Spain.

I had an apartment overlooking the sea and managed to get our friends Anne and Steve to knock on the door the moment after we arrived.

Sara was gobsmacked as Steve was a guy 20 years her junior who had fucked her in every conceivable position on our last holiday.

Steve had been in touch since and was desperate to repeat the experience. His missus Anne wanted to get her tongue inside Sara's sweet shaven cunt.

We wasted no time finding a bar and as we drank I knew Sara's cunt was getting juicier by the minute, monitored as it was by Anne's fingers under the table.

A short tipsy stroll back to the apartment and we wasted no time getting naked.

Sara leaned over the balcony and soon six hands, two cocks and Anne's tongue covered every inch of her.

Sara's pussy was leaking so much juice that Anne had her work cut out mopping it all up with her tongue.

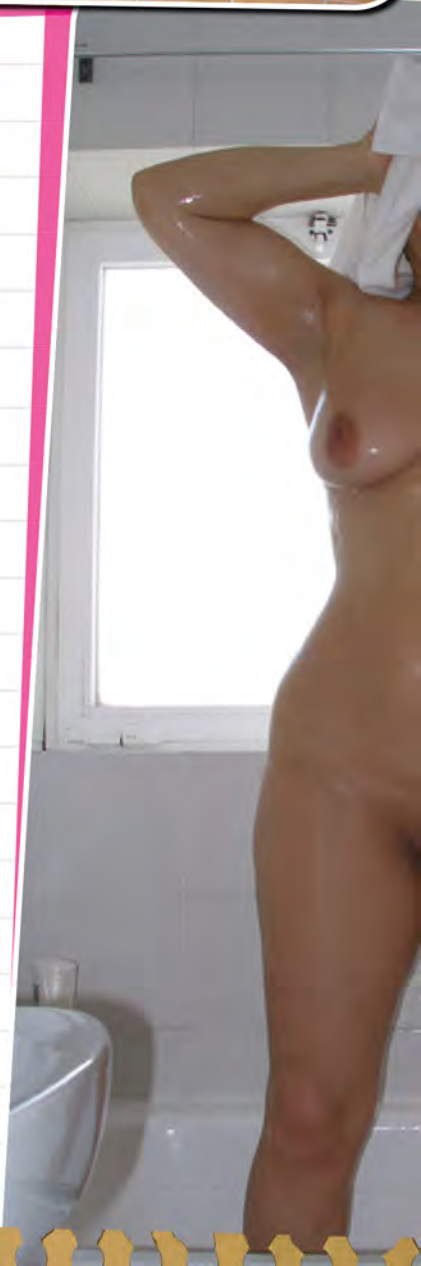
CONTACT ME

Steve must have planend the next move as he positioned Sara and Anne in a 69 position on the coffee table. Anne licked Sara's cunt which was at a nice height for Steve's cock.

He pushed his rock-hard dick into my wife's puckered arsehole. There was so much lube from his cunt he went in easily.

Once he had established his rhythm, Anne squeezed her man's balls and sucked on Sara's engorged clit.

The screams were enough to wake the apartment block and when Anne



eventually surfaced from between Sara's legs her face was covered in a mixture of cunt juice and spunk.

I was ready to fill up Sara's well-stretched arse now but she wanted her cunt fucked so she got herself on top and ground down on my cock.

It was a great fuck and the sight of her arse going up and down must have got Steve hard again because he was soon forcing his cock into her tight hole.

We thrust together over and over to give her the best of both holes.

The sun was coming up over the sea before we finished and after only a few hours sleep we began again, this time Anne receiving the benefits of two cocks.

As we sat on the plane home Sara leaned over, kissed me on the lips and said that although her pussy was so sore she could hardly sit down, it was the best present ever.

Tony, Bedford.

Casey

We've had a bit of a northern theme going on this issue, and we're rounding things off with another lass from a chillier part of the UK in Casey here.

"Hey, it's not that much chillier, and besides, we're a bit tougher up our way, so we don't really feel it compared to you southern softies!"

That may well be true, although I'd like to think that if I ventured too far North there'd be some way to make sure I was kept nice and snug..."

"Well maybe, but only if you were really frozen stiff!"

Lottie

Look who we found in our massive dressing up box – although luckily enough it's not dressing up that Lottie's bothered about but quite the opposite.

"Well it's only natural to want to take something off when you're feeling hot and bothered now, isn't it?" she asks, and to prove the point she tugs her panties to one side so that her shaven snizz can get a bit of fresh air. Hmm, and while doing that may help her cool down a bit, it really only seems to be making things hotter in here!

JANEY

For any of you out there hankering for a good old fashioned muff, allow us to introduce Janey, a randy Yorkshire lass who's all to leave it au naturel downstairs! "Aye, I did try having it shaved a few years ago, but I never quite took to it. Once the shaving rash has gone the stubble's started to grow back and, well, it was all too much bother. And besides, in my experience men are more than happy to spend a bit of time face deep in a hairy pussy!"

We dare say you're right – who'd turn their nose up at that!

REAL WIFE SEX

Debs has another hard day at work...

"He stroked between the pubes around my juiced-up twat."

I work as an estate agent specialising in commercial properties such as office blocks, factories, shops and the like. I enjoy my work, and in particular I enjoy taking clients to view the premises. Not long ago I had a buyer who was interested in buying an old factory unit on an industrial estate just outside Birmingham.

It was a sunny day so I was especially glad of an excuse to leave the office. I always try to dress up for a viewing, even if it is only a dusty old factory unit that I am trying to sell. It looks more professional, and besides, most of the commercial buyers are male.

When I arrived, I opened up the outer gates and went to check out the place so that I would be familiar with the layout before the viewing. It had been unused for a while and was dusty and dirty, but there was plenty of floor space and a screened-off section for offices.

Satisfied that I had all the details together, I returned to my car just as a Jeep pulled up. The guy who got out of the vehicle was ruggedly handsome, with bulging muscles and broad shoulders. He wore tight blue jeans, a white T-shirt, work boots and a baseball cap.

Striding towards me, he introduced himself as Mike. We shook hands and, while my gaze automatically dropped to the bulge in his crotch, he looked me over. We smiled as we shook hands, and I could tell there was an immediate mutual attraction.

Mike stretched a hand out to help me over some debris left by the last occupant and we moved on, still holding hands, until we reached the office space. It was empty now, except for some carpet tiles, and, after giving the place a brief glance over, Mike swung me into his arms and kissed me.

I melted into him, sighing involuntarily as his hands caressed my tits through my clothing. My pussy clenched, moistening at his touch, and I reached down and began to unbuckle his jeans. Then, in what seemed like a moment of erotic madness, we scrambled to discard our clothes, and Mike lay me down on the heap of garments that were now strewn on the dusty floor.

He reached behind me, releasing my long dark hair from its clasp as I held his growing erection. It was hard and thick with a dark shiny head and my mouth watered as I began to stroke and tease it. Brushing my hair back from my large white breasts, Mike began to lick at my hard nipples, while his other hand stroked its way between the pubes around my juiced-up twat.

Ripples of excitement spread through my body and my pussy clenched and pulsed as his fingertip playfully teased my wet cunt. Circling his finger around a hard nipple, he squeezed and pulled it between his thumb and forefinger. I let out a low moan and gripped his cock harder as he bent his head, kissing and biting gently at each of my boobs in turn.

I was trembling with excitement and

"Plunging his cock deep with every stroke, Mike fucked me close to the point of orgasm…"

I spread my legs as he eased his cock from my fist and positioned the head against my hot, wet pussy lips. My hips lifted to meet his thrust when he pushed his cock between my labia. He felt so big and hard inside me that my cunt automatically gripped his rod, and I was soon panting as he began to build up a perfect rhythm.

Wrapping my arms around his back, my nails clawed and scratched him as he began to fuck me harder. Plunging his cock deep with every stroke, Mike fucked me close to the point of orgasm then paused while my pussy spasmed and clenched around his thick, hard dick.

Then he started again with renewed force, pumping into me hard and fast, and I arched my back, gulping for air, as my orgasms jolted through my pussy. It was incredible, definitely one of the most exciting shags I have ever had, despite the totally rough and ready location.

However, as soon as I had come down from my ecstasy, I was aware that Mike was still hard as iron and still buried to the hilt in my cunt. He smiled briefly, then started fucking me again, just as hard and fast as before, and after just a few moments I started to come again. This time I wrapped my legs tight around his waist and threw my head back, not caring that it bumped against the rough flooring.

Pulling my legs up over his shoulders, Mike raised his hips and slammed his erection harder and deeper inside me. My whole body jerked as he filled my spasming pussy with his big cock, waiting a moment before drawing it back and plunging it back in again.

This time, as my pussy convulsed around his thick pole, he groaned, shuddered all over and came, shooting his thick creamy load deep inside me. I sighed, lying on the dusty floor while my fuck-hole milked the last drops of jizz from him.

Then all that was left to do was to head back to the office and get the contracts drawn up. All in all, a very successful day which got even better when I told my husband Dan all about my little adventure and he fucked me silly all over again.

Anissa

Busty French flamper Anissa Kate burst onto the scene a few years back and quickly made a name for herself thanks to her a) seductive face, b) cracking charlies and c) her penchant for taking a length up the wrong 'un – so how did she get her taste for backdoor fun?

"I had a boyfriend who kept telling me that I'd love it if I gave it a go and in the end I though 'Maybe he's right!'. And do you know what? He was! I don't really feel like I've been properly fucked unless all three of my holes have been plundered, so I've been having a pretty fantastic time since I got into the industry!

ZARA

Yes, it's that time of the year again when we get to roll out all the Halloween paraphernalia and remind everyone that yes, it's pretty well November. It might be a rather upsetting thought, but to make you all feel better about the onset of winter, what better sight than Zara DuRose in, and then out of, a skimpy seasonal outfit?

"I really love Halloween!" she gushes. "I've always been interested in the creepier side of things, and getting dressed up is one of my all time favourite things!"

We're glad to hear it – although we prefer you getting undressed!

"This purple baby gets me in a massive froth in no time!" confesses the naughty Devon nympho, 48. "All I need is someone to lick it all clean again!"

MY FAVOURITE D

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately some of us blokes have to go to work. Here's what they like to get up to in our absence...

06. Victoria
London
"This one's a bit too small to really satisfy my pussy," says Victoria, 26, "but it's perfect for my tight little arsehole! Perhaps a big cock for my cunt, now...?"

07. Sarah
Glasgow
"I fuck myself in both holes with this dildo while noshing off my hubby," says Sarah, 41. "Perhaps one day I'll be brave enough to find two more guys and become really airtight!"

Nesty

"I love playing with my pussy – I do it for at least an hour every day and it always gets me in a wonderfully relaxed state of mind. But when I'm feeling really dirty, I like to do it for an audience! Usually it's just one guy or one girl, and the rule is they're not allowed to touch me until I give them permission. It's such a turn-on knowing a guy's got an aching stiffy all because I'm rubbing my clit in front of him, and the fucking that follows is never a disappointment, because the longer a guy has to wait, the more spunk he seems to produce!"
